

**Alternative 6
Warrior Park Bridge Crossing to Mill Creek Sports With Boardwalk**

This photo taken from Warrior Park shows the historic railroad bridge proposed to be crossed underneath with a boardwalk.

Opportunities

- B. Direct Access to Hudson Mills Metropark
- H. Low Cost
- I. Alleviates safety issues with pedestrians using railroad to cross over and cut travel time into downtown
- J. Positive benefit for downtown with direct spur off B2B trail for pedestrian activity
- K. Linkage with Mill Creek Park

Constraints

- A. Private Land Involved
- C. Boardwalk aesthetic impact on historic bridge
- D. Hydric Soils
- E. Floodplain
- F. Boardwalk Hydrological Impacts
- G. Bridge Drainage and Hydrological Impacts
- L. Wetland Impacts with HMCA Phase 2 Route
